**Von Paul Burrell : A Royal Duty** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Royal Duty:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. In memory of the Princess DianaVon LucyM.Paul Burrell, former Butler, trusted servant and friend to Lady Di, Princess of Wales, puts his twenty and more years of experience good use in this book. This is the first issue where Paul Burrell told the story of his life in royal service including Diana.I am convinced of that that Paul loved and respected Diana

and was devastated by her death. It was his wish, in setting out to write it, that an inquest into the princess's death should be held. I find that this book is an excellent choice for fans of the late Princess. It describes the Princess as a charming woman with a wicked sense of humor, a devoted friend, and someone who must have been very interesting to work for. Therefore I think Paul Burrell is the best at writing about Diana, as he is the one that shared so much of her personal life. Soon after the tragic death of the much-loved Princess of Wales, the People's Princess, there came an abundance of books claiming to be offering the real story of the woman behind the glamorous facade. The Princess Diana was an admirable personality and I wanted to read everything about her and tried to find some closure after the tragedy of her death. This is simply a wonderful book and respectfully written. And I am very happy I received it and I will reread it again and again. I believe it to likely be closest to the truth. For anyone who loved Diana, you will be at peace to hear how beautifully and graciously she lived her daily life. And she did indeed have one true friend who protects her to this day. And he is still protecting her, the most brilliant and brightest star, Diana, Princess of Wales, the Queen of Hearts, and I adore him for it very much. Paul believes that the spirit of the Princess is resting easy with the information he has imparted, the secrets he kept safe and the names and certain circumstances he has never mentioned. And I am grateful for some secrets which let us know how Diana really was and who she was.

Zeitweise zu langatmig Von Heike Nenninger-Saiks Hier schreibt jemand, der mit Leib und Seele Dianas Butler war und plötzlich aus dieser royalen Welt gerissen wurde und außerdem noch in Verruf geriet, Diana bestohlen zu haben. Man kann darüber denken wie man will, aber es ist schon komisch, dass er alles nur aus Sicherheitsgründen an sich genommen haben will. Die Familie Spencer gehört jedenfalls nicht zu seinen besten Freunden. Ansonsten ist das, was er ausplaudert eher harmlos und sehr, sehr ausführlich beschrieben. Meiner Meinung nach zu detailliert. Man bekommt ebenfalls den Eindruck, dass die ganze Vorgeschichte dazu dient, die späteren Anklagen zu entkräften. Dem Knigshaus bleibt er aber loyal. Ich hatte mehr Indiskretes erwartet und erhofft!

**Kurzbeschreibung** The untold story behind one of the most sensational chapters in the history of the House of Windsor. Paul Burrell fought to clear his own name. Now he reveals new truths about Princess Diana and presents for the first time as faithful an account of her thoughts as we can ever hope to read. He was the favourite footman who formed a unique relationship with the Queen. He was the butler who the Princess of Wales called my rock and the only man I can trust. He was accused of theft, then acquitted following the historic intervention of the monarch. He was the Princess most intimate confidante and is the only person able to separate the myth from the truth of the Diana years. Now at last Paul Burrell cuts through the gossip and the lies and takes us closer to the complex heart of the Royal Family than ever before.

**Pressestimmen** 'Paul Burrell has a terrific story to tell' The Guardian 'A classy production' The Sunday Times
