I wish I had read something like this 15 years ago Von Steve This answers many of those nagging questions that we use for excuses for not really examining our faith. What about evolution? Is the Bible really credible? Why is there so much

suffering? Aren't all religions essentially the same? Why do Christians commit sin? Why do Christians seem so strange? These are the sorts of questions that get answered. I wish I had read this as a teenager. I would recommend giving this book to anyone who needs help getting over these common hurdles that keep us from the Christian faith. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Great Witnessing Tool Von Kevin Quinn James Emery White's new book, *A Search for the Spiritual* is a compact tour de force written to guide the unsaved to a life with Jesus Christ. The book, however, will be an inspiration to anyone who reads it. I plan on giving my copy to an unsaved friend tonight. This book presents a succinct and thoroughly researched brief as to why humans are spiritual persons and why Christianity has been such a powerful force for the past 2000 years. It is because Jesus is the Son of God. Accept Him and your life will change forever! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Evangelistic Tool Von Ein Kunde Instead of passing out tracts, I give this book to my unsaved friends. They appreciate the gift, but are especially enthusiastic to finally get some logical answers to important questions like "Why the death of Jesus matters" and "Why is there so much suffering?" They share it with their friends and ask me to explain further some of the ideas. Tell the publisher we in South America NEED it translated in Spanish!!

Kurzbeschreibung This is the book to put into the hands of seekers. With disarming candor (and no "churchspeak"), White explores the basics of the Christian faith.
