**Von Walter Lord : A Time to Stand: The Epic of the Alamo (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Time to Stand: The Epic of the Alamo (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The best book about the AlamoVon Ein KundeEven though it was first published in 1961 this is still the best book around about the Alamo. Lord paints vividly Texas in the 1830s and the men who fought for it. He portrays fairly both sides -

Mexican and Texan - but yes, in the end he does have that pesky leaning towards the side representing freedom, democracy, political representation, and an unautocratic republican government. If you do want to read a book about the Alamo that glories in state brutality and the dictatorial government of Mexico that existed at that time then read Jeff Long's *Duel of Eagles*. If you have any respect for freedom and the sacrifices that have been made to keep it, then read Lord's *A Time to Stand*. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Alamo as epic adventure story Von Brian D. Rubendall As a writer, Walter Lord has written the history of some of history's most epic stories, from the sinking of the Titanic to the American victory at Midway. It seems the better the drama, the better his prose. He retells the story of the battle for Texan independence from Mexico the treatment it deserves, in the process separating fact from myth. The story of the Alamo is of course exciting, but I found Sam Houston's victory over Santa Anna at the battle of San Jacinto even more interesting. This is a great history book from one of the best history writers of the 20th century. 0 von 0 Kunden fanden die folgende Rezension hilfreich. For my money nobody tells a story better than Walter Lord. Von Ein Kunde What I liked: For my money nobody tells a story better than Walter Lord. It was reading his great book *Day of Infamy* which helped get me interested in Military History. I strongly recommend all of his books. What I didn't like: A bit biased toward the American perspective but you have to remember when it was written.

**Kurzbeschreibung** The #1 New York Times bestselling author of *Day of Infamy* tells the story of the Texans who fought Santa Anna's troops at the Battle of the Alamo.
