Von Farnese, A : A Wanderer in the Spirit Lands before purchasing it in order to gage whether or not it would be worth my time, and all praised A Wanderer in the Spirit Lands:

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 3 Kunden fanden die folgende Rezension hilfreich. uerst beeindruckend und lesenswert! Von Irmgard Graf Eigentlich sollte dieses Buch schon in der Schule gelesen werden. Die Kinder dieser Erde sollten bereits in diesem Alter erfahren, was auf sie wartet und was sie aus ihrem Leben machen sollten. Spannender als jeder Krimi und mit Sicherheit wahr! Erst recht sollte man das Buch in reiferem Alter

lesen, lieber spt als nie.

Kurzbeschreibung Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Synopsis A classic true story of the afterlife, and of a love that flourishes beyond the grave. Written through the psychic medium A. Farnese in 1896, Wanderer is the true autobiography of Franchezzo, an Italian socialite who squanders his life on "wine, women and song." After an untimely death, he finds his spirit wandering in one of the dark lower worlds, alone and hopeless except for continued messages of love his young wife sends him through her prayers. Moved by the constancy of her devotion, he sets out to redeem himself by trying to help other lost souls, a mission which takes him into the lowest hells of the astral realm. Through his journey, there unfolds a remarkably lucid account of the different levels of the spirit realm, and the great brotherhoods of light who work there. Esoteric students have long regarded Wanderer as one of the clearest, most accurate descriptions of the spirit realms and the life that awaits us on the other side.
