Von Nicholas Olivo : A Watery Grave (Doc Graystone Adventures Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Watery Grave (Doc Graystone Adventures Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good continuation of the Graystone SeriesVon Andy W CouchQuite similar to the first Doc Graystone book, Watery Grave is a short pulp tale of the gentleman necromancer and an adventure helping the police of Boston. This time he is up against a Hydromancer and a criminal.The story is definitely on genre to the pulp tales of old and has decent number of interesting points to it. There is still the mystery of Doc's rings and what price he paid for them hanging over his head drawing the series forward.A fun book and worth the time to read.

KurzbeschreibungBoston, 1932. Doc Graystone is contacted to evaluate security at a paranormal prison built by the U.S. Navy. Before he can begin, a hydromancer assassinates a naval officer to obtain information about the prison. Now Graystone has to track her down before she can break out a prisoner Graystone knows all too wellKurzbeschreibungBoston, 1932.
