Von Keir Tayler : A Weapon in His Hand (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Weapon in His Hand (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great and honest story of following GodVon KundeKeir and Callie Taylor are truly weapons in Gods Hand, being miraculously saved they have been unafraid to proclaim and live the truths they believe in. As such a difference has been made wherever they have been. This book shows how God works in even the remotest places or totally different

cultures when someone is brave enough to step out and follow Him. Enjoyable and inspiring too read.

KurzbeschreibungIn boyhood, Keir Tayler found his identity in the rugged expanse of wilderness in Southern Rhodesia (Zimbabwe). As a young man, he left school to join the Rhodesian army, later becoming one of the first belted and bereted Selous Scouts, the most-decorated outfit in the Rhodesian security forces. After a catastrophic event on the battlefield, Keir found his life dramatically altered, physically, emotionally and spiritually. During his recovery, Keir decided to surrender completely to God an act that is unusually difficult for a soldier. It becomes the event that shapes the rest of his life, and lights an inextinguishable fire to carry the Gospel of Jesus Christ to as much of the world as he can. **A Weapon in His Hand** is the story of transformation: how a man can be used as a weapon of destruction, and then become a weapon of healing in the hands of God. Keir provides keen insight and illuminates how life as a soldier and life as a Christian man is fundamentally the same. An absolutely inspirational testimony of surrender, trust, and miracles, **A Weapon in His Hand** is sure to inspire passion and purpose as we all wear the full armor of God.

ber den Autor und weitere MitwirkendeKeir Tayler is a preacher, evangelist, and author living in South Africa. He has delivered the gospel message and prayed for healing with people all over the globe. Together with his wife, Callie, he operates Hand in Hand, a non-profit agency that provides relief and hope in more than 20 countries. He is a husband to Callie, father to Jenni, Lisa and Simon and grandfather to nine grand children. In childhood, Keir Tayler found his identity in the rugged expanse of wilderness in Southern Rhodesia (Zimbabwe). As a young man, he left school to join the Rhodesian Army, later becoming one of the first belted and bereted Selous Scouts - the most-decorated outfit in the Rhodesian security forces. Keir encountered God through a supernatural experience in the heat of battle. As a result Keir and Callie began a life of radical obedience to the calling of God on their lives. Their ministry has seen them pioneer missions in to war-torn Africa, travel through over 35 nations spreading God's Word and witnessing countless miracles.
