Von J. Vansina : Art History in Africa: An Introduction to Method before purchasing it in order to gage whether or not it would be worth my time, and all praised Art History in Africa: An Introduction to Method:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Art History in AfricaVon Dorothee Kramerthe book looked not as 'fine' as described and on some pages the words were underlined, but the delivery was excellent. Thank you! Dorothee

KurzbeschreibungThis is a pioneering introduction to a subject that is still at an early srage of academic development. It aims to provide the reader with a systematic method for the historical understanding of African art. Professor Vansina considers the medium, technique, style and meaning of art objects and examines the creative process through which they come into being. Numerous photographs and drawings illustrate his arguments, and help to explain the changes that have taken place.KurzbeschreibungThis is a pioneering introduction to a subject that is still at an early srage of academic development.
