ESVon Sarah AEin wirklich super Buch, es ist eines von denen die man im Leben gelesen haben sollte. Es motiviert

und inspiriert auch, wenn es eigentlich für MÄNNER geschrieben ist habe ich es als Frau gelesen und abgesehen von ein paar wenigen Stellen, lässt es sich prima auch auf Frauen beziehen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Klassiker Von Amazon Was soll man groß schreiben über dieses Buch. Ein zeitloser Klassiker den jeder gelesen haben sollte. Das alte Englisch ist dem ursprünglichen Erscheinungsdatum geschuldet aber im Normalfall kein Problem. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great! Von Chris Incredibly forward thinking for his time. The book is short and to the point. For a quick and inspiring read I would definitely recommend this book.

Kurzbeschreibung As a Man Thinketh is a literary essay of James Allen, published in 1902. The title is influenced by a verse in the Bible from the Book of Proverbs chapter 23 verse 7, As a man thinketh in his heart, so is he. The full passage, taken from the King James Version, is as follows: "Eat thou not the bread of him that hath an evil eye, neither desire thou his dainty meats: For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee. The morsel which thou hast eaten shalt thou vomit up, and lose thy sweet words." The passage seems to suggest that one should consider the true motivations of a person who is being uncharacteristically generous before accepting his generosity - while in the title and content of James Allen's work the passage is in a different context; In the Bible the passage is referring to another person, and in James Allen's work the passage is adopted to primarily refer to the reader himself. This version of the classic book includes a biography about the life and times of James Allen.

Synopsis This little volume (the result of meditation and experience) is not intended as an exhaustive treatise on the much-written-upon subject of the power of thought. It is suggestive rather than explanatory, its object being to stimulate men and women to the discovery and perception of the truth that- "They themselves are makers of themselves" by virtue of the thoughts which they choose and encourage; that mind is the master-weaver, both of the inner garment of character and the outer garment of circumstance, and that, as they may have hitherto woven in ignorance and pain they may now weave in enlightenment and happiness.
