Von Carolyn Arnold : Assassination of a Dignitary (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Assassination of a Dignitary (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gripping, gritty, compelling suspense Von Alana Woods Raymond Hunter, a retired Mafia assassin, has been living a quiet life for fifteen years with his adored wife Brenda, daughter and son, when the son of his old boss comes calling, wanting one last job done. Rays in no position to refuse when his family is threatened. What ensues is gripping, gritty and compelling suspense. The police are on Rays trail almost from the start, the FBI becomes involved and a Mafia

internal power play draws them all in. I can't remember the last time I read a story in which I found myself rooting for the assassin, but in this one I did. The author's knowledge of crime and weaponry adds to the atmosphere as does the writing style. I'll say it again: gritty. The reason I've given it a four star rating rather than a five is because Ray's wife and daughter get a minimal point of view airing. I think the story would have benefitted from either staying exclusively with the main characters or giving the women in his life more page space. There was just one more deficiency for me. Towards the end of the story Brenda's past and a possible part in the crime is alluded to without being explained. It left me wondering. If there is to be a sequel, then I understand, because it may be explained at some point. If there isn't a sequel, then it's left me hanging.

Kurzbeschreibung Raymond Hunter's dark past has returned and demands one final favor. Now fifteen years later, settled as an accountant and family man, he assumed life would be calm. He thought wrong. The Italian Mafia wants him back. The directions were simple: Kill Governor Behler and be out for good. In order to protect his family and guard them from the truth, he has no choice but to accept the job. He picks the date and location Niagara Falls, New York two hundred and forty miles away. But by the time he returns home, he finds out the assassination attempt failed, his family has been kidnapped, and he has twenty-four hours to set things right if he wants to see them again. With time running out, Raymond discovers the real reason they wanted Behler dead and finds out he's placed himself and his family right in the middle of a mafia power struggle. What he doesn't realize is that law enforcement is also closing in. Approximately 108,000 words
