A great introduction for children to this time period Von Robyn Mellar-Smith This book centres around Wolf, a boy whose father was a Briton, brought to Rome as a slave in the 6th century, and set free by Pope Gregory. Pope Gregory had a concern for the propagation of the Gospel among the "heathen" Saxons in Britain, so he sent a group of monks, led by

Augustine, to Britain. Wolf and his father go with them. They land there in 597, and the story follows Wolf as he returns to the land of his fathers, and as the Gospel is preached in Kent. My children, aged 7 - 13 enjoyed this story being read to them, and it really complemented our study of the time period.

Kurzbeschreibung It is the year 597 and Pope Gregory is sending a select number of his monks, led by Fr. Augustine, to re-evangelize England. Young Wolf, born in that land but raised in Rome, accompanies his father, Wolfstan, who goes as a guide and interpreter. Though the King of Kent's wife is a Christian, the missionaries from Rome do not know whether they will be welcomed, tolerated or martyred. In a story full of adventure, Wolf meets Fritha, a Saxon girl whose life and destiny are soon closely bound up with his own. Events, significant in the history of Christianity, are vividly brought to life by this veteran writer of historical fiction. Illustrated by Mary Beth
