**Von Robert F Dorr : B-24 Liberator Units of the Pacific War (Combat Aircraft)** before purchasing it in order to gage whether or not it would be worth my time, and all praised B-24 Liberator Units of the Pacific War (Combat Aircraft):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Wonderful Reference BookVon Alan C. CareyMr. Dorr has done a nice job of writing about the B-24 Liberator in the Pacific. It contains a wealth of information on AAF operations with some information on Navy B-24 operations. I also think it would be a great guide for scale modeling.

KurzbeschreibungEver present in the Pacific from Pearl Harbor to VJ-Day, the B-24 Liberator proved to be the staple heavy bomber of the campaign. From its ignominious beginnings in the Allied rout in the Philippines and the Dutch East Indies, the bomber weathered the Japanese storm with a handful of bomb groups, which played a crucial role in checking the enemy's progress firstly in New Guinea, and then actively participating in the 'island hopping' campaign through the south-west Pacific.
