The Ashes Von Harry I have read all of the Ashes Series, and I have found that this is one of his better books. Ben Raines and his SUSA gang again get into big trouble with the USA. It is an ongoing battle, but one that must be. The story is possibly what can happen to the world if things keep on going as they are. I look forward to the next book on ASHES and I am sure it will be a continuance of the battle that just started in the "Battle in the Ashes". William Johnstone, is a great fiction writer, I have also read all of his "Mountain Men" series, and this another great bunch of books.

Kurzbeschreibung "I'm not looking for a fight, but damned if I'll run from one." -- Ben Raines
Our Land Is Not Your Land
Chilling rumors of a new Nazi movement reach the rebel camp of Ben Raines and his freedom fighters. Led by descendents of Hitler's Third Reich, Commanding General Jesus Mendoza Hoffman has assembled a massive army in the mountains of South America. Estimated at more than 200,000 strong, Hoffman and his New Army of Liberation terrorists will stop at nothing to spread their doctrine of evil across the free world. Striking northward, they march into Mexico, where the Mexican army--under the command of General Payon--is no match for Hoffman's invaders. And now, as the doomsday forces turn Texas into a beleaguered battleground, Raines and his troops must fight to prevent America from erupting in a holocaustic bloodbath of atrocity and death.
