Von Mark L. Donald, Scott Mactavish : Battle Ready: Memoir of a SEAL Warrior Medic before purchasing it in order to gage whether or not it would be worth my time, and all praised Battle Ready: Memoir of a SEAL Warrior Medic:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. for medics out thereVon JonesA well written book with a deep insight into the life of a medic. From a non American getting to know more about the US structure of being a medic was great. The author invoves his personal life in a balanced and realistic way. The book will be tough to put down sometimes and I will most likely read it again.0 von 0

Kunden fanden die folgende Rezension hilfreich. just great! Von alpenraudi grossartiges buch! wir haben: den werdegang des autors, zeit vor und nach 9/11, combat medic einblicke und die eine und andere weisheit :)

Kurzbeschreibung The gripping memoir of Navy Cross, Silver Star, Bronze Star, and Purple Heart recipient SEAL Lieutenant Mark L. Donald. As a SEAL and combat medic, Mark served his country with valorous distinction for almost twenty-five years and survived some of the most dangerous combat actions imaginable. From the rigors of BUD/S training to the horrors of the battlefield, *Battle Ready* dramatically immerses the reader in the unique life of the elite warrior-medic who advances into combat with life-saving equipment in one hand and life-taking weapons in the other. It is also an uplifting human story that reveals how a young Hispanic American bootstrapped himself out of a life that promised a dead-end future by enlisting in the military. That new life begins with the Marines and includes his heroic achievements on the battlefield and the operating table, and finally, of his inspirational triumph over the demons caused by Post Traumatic Stress Disorder that threatened to destroy him and his family.

Pressestimmen This candid memoir by a Navy SEAL medic is given a vigorous reading by Fred Berman. Most important, his overall performance winsomely conveys the author's humility. *AudioFile Magazine*
