Excellent!Von J. HuntBecoming a Woman of Grace was a wonderful study! It went back to the basics of christianity by defining the purpose of the law (10 commandments) and the purpose and reason for grace! I have always been impressed with Cynthia Healds books... they provide a great format for getting into the word and really learning what

it means to be a better woman for Christ!

Kurzbeschreibung Becoming a Woman of Grace takes you on a transforming journey to the boundless reaches of God's grace. In this study guide, Cynthia Heald explores the many ways God's grace has already enriched your life and how you can know His grace more fully and then extend it to others. Filled with the elements that have endeared Cynthia Heald's study guides to millions-key Scripture passages for study and reflection, provocative questions for discussion and response, quotations from classic Christian writers, and personal reflections from Cynthia's life- Becoming a Woman of Grace is an invigorating study sure to encourage, challenge, and change you.
