YEAH GOD!Von hydrantjen@yahoo.comI am 18, and I few friends and I started this bible study together to strengthen our prayer life and to also dig deeper into the WORD. My first impressions of the study from the cover of the book were not very encouraging, however the content was so amazing it completely knocked and knocks me off my feet. There is so much to be learned, and even though this study is usually done by

women older than I am, I was amazed how deep we were able to get. Often times it took us several hours throughout several meetings to complete one chapter of the study! Yes, it was that in depth! I would highly recommend this study for all ages of women and all levels of faith. This study is well worth the price, and I promise you will learn and grow in more ways than you are aware. Go God!

Von Tracy Lynn Baughman I have a better concept of God's invitation to me to pray, instead of me coming to prayer and hoping that God will meet me there. I now see that it is Jesus who is prompting me to pray, and I am so blessed to understand that the Holy Spirit helps me to pray according to God's will so that I get results! I am excited to see what God wants to show me every time I pick up this book. It has been an "eye-opening" experience. I would recommend this book to anyone who is looking for deeper intimacy and understanding of what a relationship with your Heavenly Father truly is. I am so blessed, and thankful to the author for writing this study for my own personal use!!

Von Ein Kunde I used this study guide in my women's bible study group and they all agreed it was a great blessing. It helps you discover why we pray, when to pray, how to pray and the importance of a great prayer life.

Kurzbeschreibung Prayer Is Our Response to God's Invitation. So often we think of prayer as something we do to break through to God to get His attention and to get Him to listen to us. But intimacy with God is His idea. He has taken the initiative, and prayer is His gift to us. It is an opportunity for us to respond to His invitation to intimacy by calling, crying, and singing to Him. Prayer is our response to the One who has called out to us and desires to be in a relationship with us.

In *Becoming a Woman of Prayer*, Cynthia Heald will encourage you to respond to God's invitation to deeper intimacy with Him.
