A real nuts and bolts Christian marriage manualVon Joe EckstineBefore you say I Do is a wonderful tool in assessing whether or not the person you are dating is truly "the one". The chapters deal with a number of different aspects concerning compatibility between people. My favorite chapter deals with the "what ifs" of life and provokes couples to compare how they would handle lifes difficulties.I have used this tool with a number of different couples in premarital counseling resulting in some wonderful revelations about where the couples were and where they were going.Use this manual if you really want to discover where you and your prospective mate stand on the important issues of life.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book!Von Diogo Bueno Vaz de CarvalhoA book that really

helps to bring up things that would be noticed in a marriage only after a few months / years.

**Kurzbeschreibung** Is marriage on your mind? Have you found the one? This popular and helpful workbook is designed to strengthen your love relationship and deepen your bond. You'll find all you need for fun and thoughtful discussions as you explore vital areas, including: What does the Bible teach about marriage? What makes you feel loved? How do you handle conflicts? Do you plan to have children? Why or why not? What are your priorities when it comes to money? Drawn from years of marriage preparation seminars and counseling sessions, these insightful questions will help you build a solid future together. With Jesus as your cornerstone, your partner and you can create a loving, successful marriage. More than 500,000 couples helped!
