**Von James Marson : Beginning Employment Law (Beginning the Law)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beginning Employment Law (Beginning the Law):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent first step.... Von Phillip Taylor MBEAN EXCELLENT FIRST STEP TO UNDERSTAND WHAT EMPLOYMENT LAW IS ALL ABOUT An appreciation by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers As James Marson explains in his excellent text book on the subject of Employment Law, the topic is vast, but he ably presents this basic primer in easily understandable terms. As with all the Routledge text books, this particular title is probably the best on the market as an introduction to the way in which Employment Law operates in

England and Wales for those new to the subject. One of the main reasons why we consider the Routledge series of legal textbooks to be of outstanding value both in terms of cost and in content is the way in which their authors (all legal experts) explain substantive legal issues in such a readable fashion. For both tutors and students, a decision on which textbook or revision book to use is always difficult but it is clear to us from the feedback we have received from students that the Routledge texts lead the legal field. Many of their titles also have excellent links to websites sometimes marked as companion websites which also add much assistance to the hard-pressed learner and is a great additional tool for all. We would also say that the formats used by Routledge for their books are very much of a mainstream formula for legal texts which eases the student into methods of legal reasoning for those just beginning their legal studies and for all undergraduates: they certainly helped us with our preparation so do ensure you look very carefully at all the titles they have on offer! Marson uses diagrams, tables and what he calls mind maps to make the subject come alive. For us, the companion website is an innovation! Therefore, do look at the features at the beginning of the book which will assist with your learning and engagement with the subject matter. The key definitions and key cases are of particular help to those new to the subject and the title remains an ideal first introduction to Employment Law.

**Kurzbeschreibung** Whether you're new to higher education, coming to legal study for the first time or just wondering what Employment Law is all about, *Beginning Employment Law* is the ideal introduction to help you hit the ground running. Starting with the basics and an overview of each topic, it will help you come to terms with the structure, themes and issues of the subject so that you can begin your Employment Law module with confidence. Adopting a clear and simple approach with legal vocabulary explained in a detailed glossary, James Marson breaks the subject of Employment Law down using practical everyday examples to make it understandable for anyone, whatever their background. Diagrams and flowcharts simplify complex issues, important cases are identified and explained and on-the-spot questions help you recognise potential issues or debates within the law so that you can contribute in classes with confidence. *Beginning Employment Law* is an ideal first introduction to the subject for LLB, GDL or ILEX and especially international students, those enrolled on distance learning courses or on other degree programmes. **Pressestimmen** "As with all the Routledge text books, this particular title is probably the best on the market as an introduction to the way in which "Employment Law" operates in England and Wales for those new to the subject." - Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers "As with all the Routledge text books, this particular title is probably the best on the market as an introduction to the way in which "Employment Law" operates in England and Wales for those new to the subject." - Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers **Kurzbeschreibung** Whether you're new to higher education, coming to legal study for the first time or just wondering what Employment Law is all about, *Beginning Employment Law* is the ideal introduction to help you hit the ground running.
