lehram Von Ch. Sehr lehrsam zu lesen, wie das theologische Denken der Baptisten ist bei dieser wichtigen Sache, wobei unter Christen grosse Meinungsverschiedenheit ist.

Kurzbeschreibung Is believers baptism the clear teaching of the New Testament Scriptures? What are the historical and theological challenges to believers baptism? What are the practical applications for believers baptism today? Volume two in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY (NACSBT) series for pastors, advanced Bible students, and other deeply committed laypersons addresses these compelling questions. Indeed, Believers Baptism begins with the belief that believers baptism (as opposed to infant baptism or other faith proclaiming methods) is the clear teaching of the New Testament. Along the way, the argument is supported by written contributions from Andreas Kostenberger, Robert Stein, Thomas Schreiner, Stephen Wellum, Steve McKinion, Jonathan Rainbow, Shawn Wright, and Mark Dever. Users will find this an excellent extension of the long-respected NEW AMERICAN COMMENTARY.
