Von Nathaniel Cheairs Hughes Jr. : Bentonville: The Final Battle of Sherman and Johnston (Civil War America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bentonville: The Final Battle of Sherman and Johnston (Civil War America):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The

battle of Bentonville explained Von Ein Kunde Nathaniel Cheairs Hughes Jr. some years ago did a book on the battle of Belmont, Grant's sort of victory in the early part of the war, and the book was very good. Hughes continues this trend with a book on the battle of Bentonville, which has been largely ignored by historians because the war was essentially over when it took place. Hughes explains the maneuvers with dexterity and skill, and shows why the battle was important and how the Confederates thought they were going to make something of the victory they hoped to achieve. Includes much participant accounts of various episodes from the battle. Recommended 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent account of the Battle of Bentonville Von Aussie Reader This is a very enjoyable book to read and offers a detailed and well researched account of the final battle between Sherman and Johnston at Bentonville fought on March 19-21, 1865. This was the last full scale battle between the two opposing armies. The book has 9 maps which are well presented and the battle ones are very easy to understand and follow. Overall this book is a well documented account of this very interesting and bloody battle.

Kurzbeschreibung The battle of Bentonville, the only major Civil War battle fought in North Carolina, was the Confederacy's last attempt to stop the devastating march of William Tecumseh Sherman's army north through the Carolinas. Despite their numerical disadvantage, General Joseph E. Johnston's Confederate forces successfully ambushed one wing of Sherman's army on March 19, 1865 but were soon repulsed. For the Confederates, it was a heroic but futile effort to delay the inevitable: within a month, both Richmond and Raleigh had fallen, and Lee had surrendered. Pressestimmen "The definitive work on the battle of Bentonville." - Journal of Southern History "Hughes's narrative,...reviewing the leadership of Johnston and Sherman and the conduct of their subordinates, is a model of its kind." - Journal of American History "Kurzbeschreibung The battle of Bentonville, the only major Civil War battle fought in North Carolina, was the Confederacy's last attempt to stop the devastating march of William Tecumseh Sherman's army north through the Carolinas. Despite their numerical disadvantage, General Joseph E. Johnston's Confederate forces successfully ambushed one wing of Sherman's army on March 19, 1865 but were soon repulsed.
