**Von Nick Barker : Beyond Endurance: An Epic of Whitehall and the South Atlantic Conflict** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond Endurance: An Epic of Whitehall and the South Atlantic Conflict:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Essential reading for the history of the RN in the 1980sVon edwin.king@virgin.netBarker's account of the naval side of the

Falkland's War is fascinating reading, but more so is the telling of the backstairs campaign to save HMS Endurance. Barker, captain of Endurance in the build-up to and during the Falklands War, tells how military cutbacks led to the proposal that the ship be withdrawn from the South Atlantic and how that decision contributed to the Argentine invasion. Barker's campaign to save his ship brought the severe displeasure of Whitehall onto his head; displeasure in no way decreased when he was eventually proved right. He pulls no punches in laying out the mistakes made during the war and in his criticism of the war that Endurance and her crew were treated during and after it.

Kurzbeschreibung An Epic of Whitehall and the South Atlantic Conflict. This is the story of HMS Endurance before, during and after the Falklands conflict. Kurzbeschreibung An Epic of Whitehall and the South Atlantic Conflict. This is the story of HMS Endurance before, during and after the Falklands conflict. Synopsis Barker, who commanded HMS Endurance, warned the government that the proposed scrapping of this hardy war ship would encourage Argentina to take action against the Falkland Islands. For its action in the Falklands War, the ship's company was given a CBE. '
