Von Charles J. Wilhelm : Biblical Dyslexia: Overcoming the Barriers to Understanding Scripture (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Biblical Dyslexia: Overcoming the Barriers to Understanding Scripture (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Worth reading-! Von Reviewer The foundation of our faith is not scripture but experience. This is how the book starts. Many Christians rely on the bible as the non plus ultra. But what about Abraham, Noah, etc.? They had no scripture. Did

they have a different faith? According to the author, a life-changing faith has to be based on experiencing Jesus/God. God-based experiences changed the lives of Abram, Moses, etc. We frequently read our bibles with some kind of religious (and historic) interpreter, influenced by our religious traditions, sermons, or teachings, which can result in misunderstanding the scripture or in limiting it. The author gives several examples of this interpreter's work. For example when the bible says churchmeeting place

Kurzbeschreibung "Better to understand a little than to misunderstand a lot." ?Anonymous We rightfully revere and respect it, yet misread, misconstrue and misquote it. Our Bible is held up as the foundation of the faith, rule book for service and justification for every tradition and fad in Christendom. But what are the scriptures really? How can we be sure we're reading them properly? Scholarly and confrontational, Biblical Dyslexia explains why we so often misunderstand God's word, how bewildering Christianity can be as a result and how we can begin to read the scriptures as they were given. Using many examples from scripture, it introduces the reader to the Bible's language, history, diversity and testimony which are neither popular nor popularly known. Addressed primarily to Evangelical Christians, those in mainline denominations and house-churchers who are drawn to an earnest encounter with the scriptures will also find this book speaking to them.
