FEEL THE RUSH OF CLOSE QUARTER COMBAT WITH THE V.C.Von Ein KundeI have been reading war books for over 35 years now and am a decorated veteran of the Vietnam era. This book is excellent and contains some of the best descriptions of combat I have ever read. Very detailed account of a single day in the war. It was so realistic I thought I was going to be overrun when the gooks rushed the perimeter.

KurzbeschreibungHere we go, I said to myself as my system electrified with the familiar rush of adrenaline. On July 18, 1967, Staff Sergeant James Donahue and the men of Special Forces Detachment A-304 were on an operation; code-name Blackjack-34. Their mission: to find and engage an enemy battalion that was thought to be operating in an enemy-controlled area north of Quon Loi, Vietnam. Now Donahue bears witness to the horrific events of that day and the exceptional grit and heroism of his teammates. Blackjack-34 is a magnificent tribute to the warriors of the Mobile Guerrilla Force their courage and willingness to press on, no matter what the odds.From the Paperback edition.KurzbeschreibungHere we go, I said to myself as my system electrified with the familiar rush of adrenaline.
