Von Erik Hansen : Blood Money (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blood Money (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A real page turner! Von D. Ullrich What a plot, I was hooked from first to last page! This can't be fiction, the author must have been there himself. I only hope, the next volume is coming soon.
