Nicholson Von barbara nicholson Johnson's book may be of interest and value to those who have been inspired by the TV series, which is excellent on so many levels. I recommend it as an informative supplement, though find it lacking as literature that can stand on its own. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 100% Atlantic City Von Nucky Incredible insight into the world of Atlantic City and how it became "the World's Playground". Best book to buy for Boardwalk Empire fans!

Kurzbeschreibung Through most of the 20th century, Atlantic City, New Jersey, was controlled by a powerful partnership of local politicians and racketeers. Funded by payoffs from gambling rooms, bars and brothels, this corrupt alliance reached full bloom during the reign of Enoch 'Nucky' Johnson - the second of the three bosses to head the Republican machine that dominated city politics and society. In Boardwalk Empire, Nucky Johnson, Louis 'the Commodore' Kuehne, Frank 'Hap' Farley, and Atlantic City itself spring to life in all their garish splendour. Author Nelson Johnson traces 'AC' from its birth as a quiet seaside health resort, through the corruption, notorious backroom politics and power struggles, to the city's rebirth as an international entertainment and gambling mecca where anything goes. Boardwalk Empire is the true story that inspired the epic HBO series starring Steve Buscemi, Michael Pitt and Kelly Macdonald.
