Awesome Idea! Von Lisa Sauer I read the blurb and knew I had to buy this book. The book itself unravels even more

mysteries and fantastic ideas. The story of the Abinthians is well thought through and graphic. The only negative thing to say about this book is: It's too short ;-) I would have loved to read far more about all those people and their abilities! ;-) So I'm hoping for Part 2 Well done!

Kurzbeschreibung Forced to flee Triatra, Princess Phyllipa flees to the mysterious island of Abintia where she discovers the inhabitants possess supernatural abilities. There, she seeks the help of seers, elementals, healers and a cyclops in order to restore the natural balance and end Lord Solomon's tyrannical reign.
