Von Orr Kelly : Brave Men, Dark Waters: The Untold Story of the Navy SEALs (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Brave Men, Dark Waters: The Untold Story of the Navy SEALs (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Decent

historical account Von Ein Kunde While the book didn't keep me awake at night like others, it was a decent historical account of the SEALs. It gives important and relevant perspective, drawing from many sources, which I believe adds to the credibility of the book and author. It provides details of specific missions, but in a historical, rather than a story telling way. In other words, if you're looking for a book that deals specifically with the stories of the individual missions, this one isn't for you. It gets into the politics behind the SEALs a bit and is a good first SEAL book to read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Brave men dark waters Von Ein Kunde WOW! this is one of the best seal books I have ever read. It made me want to be a seal. If you want to read a book read this one. It told me stuff I never knew it existed

Kurzbeschreibung A definitive history of the US Navys renowned special operations fighting force the most complete in-depth study of this fabled elite unit (Library Journal). The legend was forged in the fires of World War II, when special units of elite navy frogmen were entrusted with dangerous covert missions in the brutal global conflict. These Underwater Demolition Teams, as they were then called, soon became known for their toughness and fearlessness, and their remarkable ability to get the job any job done. Years later, the renamed US Navy SEALs (for Sea, Air, and Land) continued to be a wartime force to be reckoned with throughout the remainder of the twentieth century and into the twenty-first. They served as rangers and scouts in the jungles of Vietnam, answered the call to duty in Panama, Granada, and in Saddam Husseins Iraq, while developing into the very best of the best, the cream of Americas Special Forces crop. Author Orr Kelly offers a rich and riveting history of the SEALs, covering their remarkable triumphs while not shying away from the scandals and controversies. An extraordinary portrait of extraordinary fighting men, Brave Men, Dark Waters shines a brilliant light into the darkest shadows of war, which is where the SEALs have operated for decades with awesome and deadly efficiency.
