Hatte ein bisschen mehr erwartetVon unbekanntEin ganz nettes Buch aber nicht wirklich hilfreich .Man erlebt hier zwar das man kompetent an seine Probleme herrangefhrt wird aber gescheite Lsunganstze bleiben aus.Es bleibt ein groes Fragezeichen was man denn jetzt machen soll.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein sehr gutes

Buch, hilft einem sehr weiter Von Phillip Von John Paul Jackson sollte man noch mehr lesen. Er hat die Gabe Trume zu deuten, sehr viel Einsicht in Prophetie und eine starke Begabung zu lehren. Man sollte seine Bcher auch Deutsch bersetzen.

Kurzbeschreibung Have you experienced the heartache of rejection? Do you wonder why you don't fit it? Do you crave the approval of others? Everyone experiences rejection, but not everyone has to be damaged by its painful consequences. In this compassionate and spiritually insightful book, John Paul Jackson explains what happens when rejection rules our lives. He helps to identify weaknesses that reveal the many faces of rejection. Discover how to harness the power of rejection, find healing for the scars of the past, and break free from the cycle of self-defeating behaviors. In this book, you'll find insight that can dramatically improve your life and help you walk into the extraordinary quality of a life God desires for you.
