Von Tony Wright : British Politics: A Very Short Introduction (Very Short Introductions) before purchasing it in order to gage whether or not it would be worth my time, and all praised British Politics: A Very Short Introduction (Very Short Introductions):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. in der

Krize liegt die Wurzel... Von J. Trmper British Politics verspricht dem Leser eine interessante Lektüre, gespickt mit Zitaten von Politikern, wie von Politikwissenschaftlern. Gar nicht Lehrbuchartig, sondern unterhaltsam geschrieben kommt es daher. Als kurze Einführung für (Politik-)Studenten ist es gut geeignet. Man sollte jedoch zusätzlich eine ausführlichere hinzuziehen, da die Inhalte nicht übersichtlich gestaltet sind, sondern immer wieder im Text eingeflochten werden (es ist eben eine "VERY Short Introduction"). Insgesamt sehr lesenswert.

Kurzbeschreibung Tony Wright's Very Short Introduction to British Politics is an interpretative essay on the British political system, rather than an abbreviated textbook on how it currently works. He identifies key characteristics and ideas of the British tradition, and investigates what makes British politics distinctive, while emphasizing throughout how these characteristics are reflected in the way the political system functions. Each chapter is organized around a key theme, such as the constitution or political accountability, which is first established and then explored with examples and illustrations. In this new edition Wright considers how the system has recently changed and continues to do so, in light of the coalition government and the fall of New Labour, as well as the impact of the financial crisis and issues such as terrorism and immigration. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable. Pressestimmen from previous edition a useful book * The Guardian () * Kurzbeschreibung Tony Wright's Very Short Introduction to British Politics is an interpretative essay on the British political system, rather than an abbreviated textbook on how it currently works.
