Von Steven Jent : Browser's Book of Texas History before purchasing it in order to gage whether or not it would be worth my time, and all praised Browser's Book of Texas History:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Texas frontier history at its very best!Von Midwest Book ReviewSteven Jent's A Browser's Book Of Texas History is a compilation of more than 500 incidents Texas history arranged in a day-by-day format. Some of these doings are

famous, others obscure, but all have combined to make Texas the most remarkable state in the American Union. A Browser's Book Of Texas History can be read from cover to cover in an afternoon, or one day at a time browsing as we are introduced to larger-than-life events and the colorful personalities responsible for them. A Browser's Book Of Texas History is a "must" for all students of the American frontier in general and Texas history in particular.

Kurzbeschreibung If you love history and want to amaze your family and colleagues with your prodigious knowledge of Lone Star lore, this book is just what you need. A Browser's Book of Texas History is a day-by-day collection of more than 500 incident-some famous, some obscure-that have made Texas the most remarkable state in the Union. Even if you're a dedicated historian or an old-time Texan, you're likely to find something surprising, amusing, thought provoking, or just plain odd. With this book you can start every day of the year with a concise entry from the chronicles of this unique state, which just seems to naturally breed colorful people and bigger-than-life events. Pressestimmen Brilliant stuff, here, in these perennial and self-renewing reference volumes from Fort Worth area author Steven A. Jent. You might start out with these as a browser, just puttering about among the pages to see what turns up, but Jent's passion for the subject matter is likely to make a dedicated scholar out of even the casual reader. (Fort Worth Business Press) Kurzbeschreibung If you love history and want to amaze your family and colleagues with your prodigious knowledge of Lone Star lore, this book is just what you need.
