AmazingVon Devoradora de LivrosIt doesn't matter your religion, if you want to have a healthy marriage or even save your marriage, you gotta buy this book!

Kurzbeschreibung Marriage was God's idea. He decided that man and woman should be "one flesh". Furthermore, the Bible says "God is love". Unfortunately, many couples never learned to love each other. A feeling, passion or some other influence brought them together, but they never learned how to study or explore each other, or discover what makes them happy. When you do not know another person it is impossible to love them because you do not know what pleases or annoys them, their dreams and struggles, or how they think. In such ignorance, you will make many mistakes in your relationship and so cause many problems. These problems will cause you to withdraw, even though you are married and were in love at one time. If you have been wondering: Do I still love my husband/wife? Did I marry the wrong person? Why is my partner so cold to me? Why do we love each other but can't stay together? How can I make sure my marriage lasts? How can I live with a person who is so difficult? Why do our problems go away, but then come back worse than before? Is my marriage always going to be about hardships, or will I find happiness one day? Cheer up! You will learn how to love intelligently and how to be happy with your spouse, even if he (or she) acts like King Kong.
