Von Rachel Starr Thomson : Burning Light (The Seventh World Trilogy Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Burning Light (The Seventh World Trilogy Book 2) (English Edition):

dreiteiligen Buchreihe habe ich während des gesamten Lesens geschwankt zwischen 3 und 4 Sternen, mich aber letztlich für 4 Sterne entschieden. Die Geschichte erzählt mehrere Handlungsstränge mit verschiedenen Personen, die nach und nach zusammengeführt werden, und sich auch wieder trennen. Es geht um Gut gegen Böse, beides natürlich brennend. Einige der Hauptpersonen haben Gaben, die sie einsetzen müssen, um das Gute ("the King") zurück in unsere Welt zu holen, und das Böse ("the Darkness") besiegen zu können. Zauberer (oder eher Hexer) gibt es nur auf der bösen Seite. Die Hauptpersonen werden leider nicht wirklich ausgeleuchtet, man sieht eine Kontur, die aber nicht mit Farben gefüllt wird. Ähnlich ist es auch mit Umgebungsbeschreibungen, was natürlich auch den Vorteil hat, dass man sich nicht in Langeweile verliert. ABER: dafür war die gesamte Geschichte kurzweilig und spannend, was mich dann trotz der Schwächen in der Charakterbeschreibung und einiger weniger unlogischer Schritte sowie Rechtschreibfehler doch zu 4 Sternen bewegen hat.

Kurzbeschreibung The world takes sides in this classic Christian fantasy. After five hundred years of oppression, the Seventh World is beginning to wake to the realities of the unseen world behind the Veil. The rise of the Gifted heralds the return of the King of ancient days but evil is also waking. Aware that their control is beginning to slip, the Order of the Spider sets out to convert the Gifted or destroy them. Among those caught in the conflict are Nicolas Fisher, a young Gypsy running from the past, and Maggie Sheffield, driven underground in the city of Pravik. Others also stand against the Blackness: the young chieftain Michael O'Rourke, the mysterious healer called Miracle, and the indomitable rebels of Pravik. As the world takes sides, their lives will play an integral role in the coming of light, or the triumph of darkness. **BURNING LIGHT** is the second book in The Seventh World Trilogy, a Christian fantasy adventure with hints of steampunk and depths of spiritual truth. If you love page-turning action, memorable characters, and inspirational fiction that confronts darkness, reveals breathtaking beauty, and moves your heart to connect more deeply with God, this series is for you. Buy **BURNING LIGHT** now and continue the adventure! **Life-Changing, Inspirational Christian Fiction: From the Author** Hey, my name is Rachel Starr Thomson. I love Jesus and believe wholeheartedly in the power of fiction to change our lives. While nonfiction may teach us something, fiction allows us to experience it. When we're experiencing truth, beauty, struggle, and triumph, we find our lives enriched and deepened by what we read. That's why I write. I want my readers to discover depths of truth about themselves, about the world, and about God that stretch and inspire them. My stories are always clean, but I don't shy away from hard questions and honest characters. Whoever you are, I believe in you. I believe your life has immeasurable worth. I believe you were personally handcrafted by a loving Creator with a vision and purpose for your life. I believe your struggles, your dreams, and your hurts matter. I believe you walk a path no one else does, one that is intended to benefit the world. I hope you'll enjoy what you read and come back for more. Most of all, I hope that through my stories, you'll forge a new depth of connection with the God who truly loves you. **Genre-Bending Christian Fiction: Biblical, Historical, Suspense, Fantasy, Paranormal, Visionary** Always Lyrical, Always Christian, Always Changing the Game Readers would be forgiven for asking what genre exactly Rachel Starr Thomson writes. Her work is described as spiritual, visionary, biblical, fantasy and literary, poetic, and anchored in the real world. Always a clean read, her books are suitable for teens but have the depth, beauty, and characterization to keep adults riveted. They include: **The Seventh World Trilogy (Worlds Unseen, Burning Light, Coming Day):** Classic Christian fantasy in the style of C.S. Lewis. Great for teens and all readers of inspirational fiction. **The Prophet Trilogy (Abaddon's Eve, Comes the Dragon, Beloved):** Best described as biblical historical fantasy. Set in a world based on ancient Israel, these books follow four believers in a time when judgment is coming. **The Oneness Cycle (Exile, Hive, Attack, Renegade, Rise):** Readers call them spiritual warfare fiction. They're Christian urban fantasy, paranormal, suspense novels but they're also real world in their impact. If you've ever wondered about your place in the battle of good vs evil, this series is the place to start. **Warning:** These novels will challenge your perception of the world. Not for the faint of heart! And standalone novels including **TAERITH, ANGEL IN THE WOODS, LADY MOON**, more. Continue the journey today with **BURNING LIGHT** buy now. **Kurzbeschreibung** The world takes sides in this classic Christian fantasy.
