Von William Hill : California Ghosting (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised California Ghosting (English Edition):

Kurzbeschreibung Murder, Intrigue and Romance at a Haunted Luxury Resort Strange Ghosts - Old West spirits haunt Ghostal Shores, a very special coastal resort north of the San Francisco Bay. Ethereal bellmen, bartenders and hookers cater to and mingle with wealthy men, beautiful women and eccentric psychics from all over the world. Who Murdered Peter MacGuire? - The selfish and dragon-tempered co-founder? The greedy manager interested in making the resort a timeshare? Mac's lovely but bitter illegitimate daughter? His former lover, the voluptuous manager of international marketing? The flirtatious and secretive in-house physician? The overzealous psychic covetous of Mac's ghostly liaison duties? Or could the murderer have been one already dead--one of the newly arrived outlaw ghosts? A Romantic Triangle - When Mac's beautiful lawyer guides his handsome heir through the mysteries of the haunted resort sparks fly between Angela and Blasing. The fire even ignites the interest of an alluring green-eyed ghost wanting Blasing's body and a dark, ethereal stranger who threatens them all. Malicious Spirits - A new breed of spirit has driven out the friendly resident ghosts. Unsavory rogues, vicious outlaws and ruthless gunslingers now plague the guests. What is the secret of GHOSTAL SHORES and the past that haunts them all? Come investigate with Angela and Blasing. Come CALIFORNIA GHOSTING!!

Synopsis This psychological and supernatural thriller has lots of mystery and romance. A handsome young man inherits a haunted luxury resort. During due diligence, his dead uncle's attractive and fiery attorney convinces him to begin a murder investigation, seeking why and who killed the co-founder. Is the murderer alive or a ghost?
