Definite Must Read! Von Amanda If you think that reading is boring, this book will change your mind! I have read all of the Clearwater Crossing books and have thoroughly enjoyed every minute. I was happy when I heard about More Than This, the eleventh Clearwater Crossing book. This book, More Than This, was not my favorite book of the series, but I still loved it! The reason why I did not enjoy it as much as some of the other books is because at times it would get a bit dull. For an example, the writer, Laura Peyton Roberts did not keep the plot interesting in the areas pertaining to Ben. But I still fretted with Eight Prime when their Valentine outreach fell through and with Melanie and her many problems with Jessie. Also I was practically yelling at Nicole about what she should do with her problems with Mr. Roarke, and her cousin Gail, at work. The way that Laura Peyton Roberts writes makes me enjoy the books even more because she makes me feel like I am there with the characters and they are my best-freinds. This book is best for female teens who are looking for a slight romance and enjoyable book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Definite Must Read! Von Ein Kunde This is a great book! I got it the exact day it came out! Mr. Roarke--Nicole and Gail's boss-is totally awful! He's thirty-four and he is taking advantage of Gail (16)and he's telling her he'll fire her and Nicole if she doesn't go out with him! I am slightly confused with Melanie. She likes Jesse--but now she acts kind of like she is annoyed with him for making a fool of her. All I know is that I can't wait for HOPE HAPPENS to come out in December. I like Jesse's little sister, Brittany, and at first I hated Elsa. I like Jesse's real mother, and I don't like his real father. I wish Jesse and Melanie would get with it and get together! Jenna is annoying. She prys into other poeples business and is so...I don't know. Well, I'm not saying anymore!

Kurzbeschreibung Jesses mom is finally coming to Clearwater Crossing, and he cant wait to see her! But not everyone is excited about her visit. His father is tense, his stepmother is jealous, and his stepsister has turned into a royal brat. Jesses had enough misery in his life lately. Cant his family give him some peace? Melanie has never felt more alone. No one is there for her--not Jesse, not her father, not even Peter. There has to be more to life, and if she cant find it in Missouri, maybe its time to look somewhere else. When the bad behavior of Nicoles cousin Gail almost costs them both their jobs at Wienerageous, it could be a blessing in disguise--except that Nicoles parents will kill her if she loses the job thats supposed to teach her responsibility. Amazingly, the restaurants boss is willing to cut the girls a break. Theres just one thing Gail has to do . . .
