No excuses anymore, the King's English has been modernized so that us contemporary, modern Christians can understand and apply the deep truths of the faith. It is estimated that during his lifetime he spoke to 10 million people, and he became known as the Prince of Preachers. His works fill over 60 volumes; and more than a century after his death, his sermons and devotional texts continue to challenge and touch Christians and non-Christians alike with their biblical grounding, eloquent text, and simple encouragement. Among his published books are "Lectures to My Students" (Hendrickson); "The Treasury of David" (Hendrickson), a devotional commentary on the Psalms; "All of Grace," the first Christian pocket-paperback published in the United States; numerous volumes of topical sermon collections; and the best-selling "Morning and Evening."
