Von Claudia Strachan : Mrs Mahoney's Secret War: The Untold Story of an Extraordinary Young Woman's Resistance Against the Nazis before purchasing it in order to gage whether or not it would be worth my time, and all praised Mrs Mahoney's Secret War: The Untold Story of an Extraordinary Young Woman's Resistance Against the Nazis:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A touching storyVon Krbis-chenI'm usually not into 20th century history, but this book touched me deep inside.My colleague recommended this wonderful book to me: Her own sister had written down Gretel's story after they happened to meet by accident some years back, both of them Germans living in England.The story pulled me in and I could hardly put the book down before I had finished it. A fascinating story full of suspense and historical detail - the story of a very strong, resourceful woman living in a very difficult and dangerous time.

KurzbeschreibungGretel helped to protect fugitives hunted by the Gestapo, hid her Jewish doctor in her cellar and passed to the resistance secrets learned from her work on the Enigma encryption machine.Finally arrested in 1945, she was liberated as the British Army advanced towards Hamburg. After the war, Gretel fell in love with a British officer. When he was transferred back to England, her determination and bravery were tested once more.Pressestimmen"A very well-written, fast-moving book . . . [it] has all the ingredients for a Hollywood blockbuster"
(Tribune)WerbetextThe amazing true story about the life of a young German woman during the Second World War
