Von George Armstrong Custer : My Life On The Plains Or Personal Experiences With Indians (With Table of Contents and List of Illustrations that are Interactive) (English Edition) before purchasing it in order to gage

whether or not it would be worth my time, and all praised My Life On The Plains Or Personal Experiences With Indians (With Table of Contents and List of Illustrations that are Interactive) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great authentic storyVon Jonathan BateThis really sounds like a non-professional story polished up just enough to make it a good read.The language is simple and straight-forward, so that you can really imagine Custer sitting across the table from you and recounting his experiences with a full load of truth, with just a hint of bragging leaking through every now and then.This book is a must-read for fans of the wild west, who want to get a fine first-hand snapshot of life at that time.

KurzbeschreibungNOTE: This book has been scanned then OCR (Optical Character Recognition) has been applied to turn the scanned page images back into editable Text. This means that the text CAN be re-sized, searches performed, bookmarks added, unlike Kindle Books that are only scanned.We have added an Interactive Table of Contents an Interactive List of Illustrations. This means that the reader can click on the BLUE links in the Table of Contents or the List of Illustrations be instantly transported to that Chapter or Illustration.To make reading easier, especially on smaller mobile devices, we have added the following reading aids: an indent to the first line of each paragraph, a page break after after each chapter, each Illustration any page(s) with a footnote(s).Our aim is to provide the reader AND the collector with long out-of-print classic books (OOP) at realistic prices. If you load your mobile device(s) with our books, not only will you have fingertip access to a large library of Antiquarian and Out-Of-Print material at reasonable prices, but you can mark them up electronically always have them for immediate reference, without worrying about damage or loss to expensive bound copies.We have inexpensively published on Kindle E-books, Elizabeth Custer's other books "Boots And Saddles" OR "Life In Dakota With General Custer" (ASIN: B008HJS69S), "Following the Guidon" (ASIN B008KSGM2Y) as well as Civil War Titles such as Abraham Palmer's "History of the 48th NY Regiment" (ASIN: B0086I5VEI); in addition to other interesting non-fiction classics on history science.We will be adding to our Kindle titles regularly. Look for our offerings, in the Kindle store."My Life On The Plains Or Personal Experiences With Indians" by General George Armstrong Custer" is a first-hand account of General Custer's career from the end of the Civil War in 1865 to approximately 1872. This period of his command of the 7th Cavalry in the various expeditions against the Indians, is the period of his career with which he is most identified in the public imagination. His organization of the newly formed 7th Cavalry its training are touched upon, as well as the 7th Cavalry's skirmishes battles with the Plains Indians, such as the battle of the Washita in November of 1868. The relative ease with which the Indians were defeated by Custer, Indian fighter extraordinaire, in these similar episodes during these years got Custer believing in his own myth of invincibility. This contributed to the foolhardy decisions and poor strategic planning that led to his death, and the massacre of his command, at the Little Big Horn in June 1876.Custer serves the purposes of truer-than-life history. For his facts are 1st-hand and indisputable, even if heavily slanted in his favor. His pages are crowded with pictures of a type of life that was almost extinct, even as he was recording it. Washington Irving and George Fenimore Cooper in their fictional Indian stories drew on records of a dead past. General Custer drew on current living records of an intense present.Here, from an eyewitness, are the events that have captured the imagination of generations of Americans, spawned dozens of books--both fiction and non-fiction--, and numerous movies and TV shows, most of the latter extreme flights of fancy--some racist, while others just downright silly.KurzbeschreibungNOTE: This book has been scanned then OCR (Optical Character Recognition) has been applied to turn the scanned page images back into editable Text.
