Von William Barclay : New Daily Study Bible: The Gospel of Mark before purchasing it in order to gage whether or not it would be worth my time, and all praised New Daily Study Bible: The Gospel of Mark:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Brings to life the most overlooked GospelVon Ein KundeMark's Gospel is rich with the teachings of Peter, with some personal insight from Mark who was a boy in Jesus' last days. Barclay does a wonderful job of bringing us into Mark's Gospel and explaining the circumstances and meanings of Jesus' words and parables, without putting any personal spin on them. The English translations don't always do the Greek words justice, and Barclay helps develop the rich

meanings of the Greek language we often lose in our translations. To read Barclay is to read Jesus as if He were here teaching us, which, really, He is. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Makes reading the Gospel of Mark interesting. Von Ein Kunde Barclay's style is very easy to read. He makes reading the Gospel of Mark very interesting. Just reading about Jesus' miracles is good, but having Barclay to read alongside the miracle stories was fun! Planning on using it in my Bible Study class.

Kurzbeschreibung The Gospel of Mark shows us the reaction of the people to Jesus ministry. While making clear Jesus divinity, in Marks account we also see a very human and even emotional Jesus. The Gospel of Mark is regarded by some Pressestimmen 'It is as if he is so constantly excited by the subject matter that he hopes to infect the reader with his own sense of wonder at the riches which the Word of God has to offer.' -- John Bell Pressestimmen 'It is as if he is so constantly excited by the subject matter that he hopes to infect the reader with his own sense of wonder at the riches which the Word of God has to offer.' -- John Bell
