Good book on the Good BookVon kwstalcup@iquest.netBarclay's book on The Letters to the Philippians, Colossians and Thessalonians is an excellent analysis of these books of the Bible.Barclay provides an introduction to each book before proceeding to a line-by-line, verse-by-verse discussion of the text and its meaning.The author has a very good understanding of the history and backround of these books and shows detailed knowledge of the language used by

Paul. His commentary sheds light on the reasons for Paul's letters and clearly explains the specific guidance Paul was offering to these followers. Finally, I liked the quotes and short stories Barclay tossed in with his analysis. It's a good book for Bible study. It's easy to read a little bit each day. It's also easy to spend a great deal of time reflecting on the most meaningful passages. 0 von 0 Kunden fanden die folgende Rezension hilfreich. wonderful book Von Ein Kunde Like pretty much all of Dr. Barclay's books, the Letter to the Hebrews makes the Bible verses that are so difficult to comprehend easy to understand and beautiful. His Bible studies are good whether you're reading the Bible for the first time or whether you're studying it in depth. He gives you a lot of historical background which really helps. I did find the section about priesthood (Hebrews chapter 7) slightly tedious, but that's my only complaint. It's definitely a worth while read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Good Start Von Ein Kunde This is helpful and informative, but is not a scholarly work. there are other more scholarly books available. i recommend this for bible study students, but not for theology students. more indepth books are available.
