Von Charles Gruzanski : Ninja Weapons: Chain and Shuriken before purchasing it in order to gage whether or not it would be worth my time, and all praised Ninja Weapons: Chain and Shuriken:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Gelungene Kurzbersicht des Kusai-Fundo-JutsuVon obogatzki@aol.comDas vorliegende Buch richtet sich von seinem Informationsgehalt eher an "Anfnger". Der ausführliche Text welcher bei hnlicher Literatur oft fehlt ist klar und auch fr Leser mit geringen Englischkenntnissen nachvollziehbar. Leider fllt es oft schwer Bilder dem zugehrigen Text zuzuordnen. Die dargestellten Techniken sind meist nachvollziehbar, wenn auch nicht immer praktikabel. Im vergleich

zu derzeit verfügbaren Literatur im deutschsprachigen Raum ist das Vorliegende sicherlich eines der besten. Wer sich erst mal einen Einblick, in den Umgang mit der kurzen Kette verschaffen will, dem rate ich dies Buch zu lesen. Da das Kapitel über Shuriken/Shaken sehr kurz ausgefallen ist, sollten Interessierte an diesem Thema auf andere Angebote zurückgreifen. 1 von 2 Kunden fanden die folgende Rezension hilfreich. a very informative book Von Ein Kunde*i* found this book help full in learning about the chain and shuriken

KurzbeschreibungThis informative martial arts book, Ninja Weapons introduces the exciting and deadly secrets of ninjutsu the chain and the shuriken. The Masaki school of chain fighting was developed in the feudal society of the early eighteenth century by a swordsman-sentry in Edo (Tokyo) Castle. Feeling that the shedding of blood in such a hallowed place would be disgraceful, he devised the combat use of the weighted chain. Even the name he gave to the art proves the trust he placed in its effectiveness manrikigusari (chain with the power of ten thousand). The equally devastating art of shuriken, the throwing of metal stars and spikes, evolved shortly after manrikigusari. The easily concealed shuriken soon became known as an extremely effective weapon for both shinobi and samurai warriors. Included are "The Samurai Creed," various techniques, the history of the arts and over 100 black and white photos and illustrations. **Pressestimmen**"A unique and fascinating book."--"Black Belt""A unique and fascinating book." "Black Belt""A unique and fascinating book." Black Belt""A unique and fascinating book."--Black Belt-A unique and fascinating book.--Black Belt
