Von Merrill B. Twining : No Bended Knee: The Battle for Guadalcanal before purchasing it in order to gage

whether or not it would be worth my time, and all praised No Bended Knee: The Battle for Guadalcanal:

Kurzbeschreibung A VIVID NARRATIVE . . . A splendid first-person account of the costly campaign that enabled Allied forces to wrest Guadalcanal from the Japanese in World War II's Pacific theater. Kirkus s By reading and studying No Bended Knee, the military professional can gain an appreciation for war at the strategic, operational, and tactical levels. Twining writes as he served his corps boldly and straightforwardly, with impeccable detail and superb understanding of things strategic. Airpower Journal A VIEW FROM THE NERVE CENTER COMPLETE WITH TELLING PERSONAL ANECDOTES. Journal Inquirer (Manchester, CT) Twining adds notably to the literature on Guadalcanal and provides one of the best accounts of war as seen from the perspective of the often maligned yet absolutely indispensable headquarters staff. Booklist CANDID AND REVEALING. Publishers Weekly From the Paperback edition. From Booklist The Battle of Guadalcanal is one of the authentically epic conflicts of World War II. Twining saw it as operations officer of the key U.S. ground unit, the First Marine Division. What he saw and now recounts was a campaign in which a semitrained and understrength division was flung into battle and somehow not only survived, but prevailed. Those marines had to fight the Japanese, the jungle, tropical diseases, uncertain supplies, inept commanders (some of them even members of Twining's beloved marines), and a host of other adversaries. They overcame them all. Twining (brother to the late Joint Chiefs of Staff chairman Nathan Twining) is a trifle jaundiced about anyone who is not a U.S. marine, but he adds notably to the literature on Guadalcanal and provides one of the best accounts of war as seen from the perspective of the often maligned yet absolutely indispensable headquarters staff. Roland Green Pressestimmen A VIVID NARRATIVE . . .
