it like in three days, or something. I'd say it's either third or second best in the series. I loved numbers 8 and 9, too. Anyway, I love yet hate the way Laura always writes the cliffhangers at the end of the book! She did it with this one, and I'm dying to read number 11. About the book-Jenna's having a hard time making up with Caitlin. I think Cat's overreacting a bit, though. I mean, Jenna only told Peter! Nicole had to get a job, Melanie's trying to make up with Jesse, Jesse's ignoring Melanie, and are Leah and Miguel making the biggest mistake of their lives? I was a little disappointed with Leah and Miguel's decision. What WAS their decision? Sorry-don't want spoil it for you!!0 von 0 Kunden fanden die folgende Rezension hilfreich. ZGoodVon Ein KundeThis book was very good. Jesse is so typical! I mean it, too. I understand him wanting to get revenge on Melanie for dumping him, but sheesh! Doesn't he realize everyone makes mistakes? And Melanie made one, so she's trying and trying to make everything up. She has a hard, miserable life, and it's not her fault for losing Jesse! Jesse shouldn't be so hard to get. And Jenna is so nosy! She shouldn't have told Peter--now Caitlin will be humiliated every tiome she sees Peter!0 von 0 Kunden fanden die folgende Rezension hilfreich. EXCELLENNT !Von Ein KundeI totally thought that this was a great book! The thing that makes me keep buying them besides them being my favorite books is that she makes you want to know what will happen in the next book. Like Caitlin and David? Jesse and Melanie? and especialy Miguel and Leah?? There is no doubt that this is and excellent book and will deserve 5 stars from everyone!
