Von Martyn Bennett : Oliver Cromwell (Routledge Historical Biographies) before purchasing it in order to gage whether or not it would be worth my time, and all praised Oliver Cromwell (Routledge Historical Biographies):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
CROMWELL ETWAS ANDERS GESEHENVon Guenter HabertzettlDas Buch schildert einen Cromwell jenseits der gngigen Klischeevorstellungen eines religisen Fanatiklers und Knigsmrdrers, zumindest relativiert es auf der Basis seriser Quellendeutung solche Vorstellungen betrchtlich. Von Lesern ausserhalb des britischen Kulturkreises fordert es zum Verstdnis betrchtliche Vorkenntnisse, sowohl ber handelnde Personen und geschichtliche Ablufe, als auch ber die Beziehungen der ethnisch/politischen Bereiche England, Schottland und gelegentlich Irland zueinander. Religionsgeschichtliche Grundkenntnisse sind fr den Leser von weiterem Vorteil. Das Bild des Titelhelden bleibt im Persnlichen und Privaten relativ konturenlos. Leider finden sich im Buch einige rgerliche, auf schlampiges

Korrekturlesen zurckzufhrende Sprachschneider.

Kurzbeschreibung In this concise and accessible biography, Martyn Bennett examines the life of Oliver Cromwell one of the most controversial figures in world history. This study challenges long-held perceptions of Cromwell and the Commonwealth, arguing that they need to be placed at the core of early Modern British and Irish history. Charting his early career, the origins of his political and religious thought, and the development of his notions of governance that influenced him as Lord Protector, Martyn Bennett contests the post-Restoration vilification of Cromwell to examine how his influence has shaped notions of citizenship, identity and governance and informed the relationship between religion and the state in Britain. This radical interpretation will give students a clearer view of the motivations and achievements of a fascinating and pivotal figure in British history.

Pressestimmen "Martyn Bennett has written a short biography of Oliver Cromwell, which takes into account the most recent research...he shows a genuine empathy for his subject." Professor Charles Carlton, North Carolina State University, USA
