Von Peter Hopkirk : On Secret Service East of Constantinople: The Plot to Bring Down the British Empire (Not A Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised On Secret Service East of Constantinople: The Plot to Bring Down the British Empire (Not A Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. On secret service East of ConstantinopleVon Lutz-Werner SchiwiekThis narrative shows us readers of today, where all the Problems and difficulties from nowadays arise. A very good narrative, written in good style and very interesting.

KurzbeschreibungUnder the banner of a Holy War, masterminded in Berlin and unleashed from Constantinople, the Germans and the Turks set out in 1914 to foment violent revolutionary uprisings against the British in India and the Russians in Central Asia. It was a new and more sinister version of the old Great Game, with world domination as its ultimate aim. Here, told in epic detail and for the first time, is the true story behind John Buchan's classic wartime thriller Greenmantle, recounted through the adventures and misadventures of the secret agents and others who took part in it. It is an ominously topical tale today in view of the continuing turmoil in this volatile region where the Great Game has never really ceased.Pressestimmen'Tells with great fluency, authority and narrative skill . . . a story which no single book has told before' * Sunday Telegraph * 'Recreates with much verve and brilliance, the clandestine attempts by Britain's imperial rivals to subvert the British Empire in India' * Guardian *KurzbeschreibungUnder the banner of a Holy War, masterminded in Berlin and unleashed from Constantinople, the Germans and the Turks set out in 1914 to foment violent revolutionary uprisings against the British in India and the Russians in Central Asia.
