**Von Jon E. Lewis : On the Front Line: True World War I Stories (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised On the Front Line: True World War I Stories (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sobering, humbling and thought provoking.Von pgdIVery humbling, these factually written records of "real life" for the combatants in WWI. It is difficult to comprehend how horrific it must have been. I have just been given my

grandfather's and great-grandfather's campaign medals, though my family knows very little of what they went through. This made those stories by soldiers in the same regiments and on the same battlefields all the more interesting from a personal point of view.

**Kurzbeschreibung**In 1930, the editor of Everyman Magazine requested entries for a new anthology of Great War accounts. The result was a revolutionary book unlike any other of the period; for as Malcolm Brown notes in his introduction 'I believe it might fairly be described as a rediscovered classic'. It was the very first collection to reveal the many dimensions of the war through the eyes of the ordinary soldier and offers heart-stopping renditions of the very first gas attack; aerial dogfights above the trenches; the moment of going over the top. Told chronologically, from the first scrambles of 1914, the drudgery of the war of attrition once the trenches had been dug, to the final joy of Armistice.  
**Werbetext**In the words of Malcolm Brown 'a rediscovered classic'. Sixty first-hand accounts of what life was really like in the Great War.
