More Than A Christmas StoryVon Ein KundeI was first drawn to One Wintry Night by the illustrations, which are amazing. Realistic pictures give a younger child a lot to look at while you are reading the story. Once I started reading the story I was in awe. Mrs. Graham retells the story of the bible in a simple but captivating way. It is easy to see the parallels that occur in the bible - the way God looked for someone to save His people repeatedly - ending with our saviour. The book intertwines the importance of not only the birth of Christ, but his crucifixion and resurrection. Mrs. Graham also writes wonderful cliffhangers from one chapter to the next which had my five year old begging to read more. This is definitely a book I will read over and over again and will recommend to my friends (or buy it for them!) This is a great way to help introduce a young child to God's character, the bible, and christianity.0 von 0 Kunden fanden die folgende Rezension hilfreich. A beautiful way to share God's planVon Ein KundeEverything about this book is lovely -- the

story and the artwork. You could spend a long time just studying all the pictures. Ruth Bell Graham writes about a grandmotherly woman who offers a warm place for a child to get in out of a snowstorm. She opens her Bible and tells him a fascinating story that begins with creation and ends with the Resurrection. I purchase this book all the time to give as Baptismal gifts. I'd also highly recommend it for anyone sharing their faith with an adult who grew up Biblically illiterate. It's a fun, easy way to cover the basics in a way anyone can understand. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Christmas Story like you've never heard it before Von Ein Kunde I was apprehensive when I heard that this was the "Christmas" story according to the bible, since when is Creation to The Resurrection considered the Christmas story? As of NOW. The story as told to a young boy is wonderful and can certainly stand on it's own but combined with the artwork it is a sure winner. After reading the book I went back and examined each picture. They are all beautiful. We are adding this to our home library (a Christmas present), I recommend that you do the same
