WoodI just finished reading "out of the Desert". I read it from cover to cover and word for word. I could hardly put it down, except to eat and sleep some. I really enjoyed it. It was also inspirational as well. It tells of a brave group of fine Americans, who gave all, at a time when it meant something to be a patriot. Even when a dog named Alex played an important role in war.0 von 0 Kunden fanden die folgende Rezension hilfreich. A commitment this generation knows nothing about.Von Alma Joyce Hahn"Out of the Desert"

reads like an adventure story--you will laugh; you will wipe away a tear; you will be inspired. Recommended Reading.

KurzbeschreibungThe daring low level mission to the oil refineries of Ploesti has long been considered as one of the most significant missions of World War II. The allies were determined to annihilate the very source of the fuel which fed the German war machine. In *Out of the Desert*, a distinguished veteran of the 98th Bomb Group, John Blundell, provides not only an insider's point of view on the mission, but also compelling photos of the heroes and hardships faced by America's Force for Freedom"" -- the 98th Bomb Group.
