Von Imran Khan : Pakistan: A Personal History before purchasing it in order to gage whether or not it would be worth my time, and all praised Pakistan: A Personal History:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. great readVon M. KhanOne of the best autobiographies I read. Gives a detailed insight how a person transforms to a good human being through change of his personal views about life a religion. Strongly recommend.0 von 0 Kunden fanden

die folgende Rezension hilfreich. Good but a bit long winded Von Michael Schoonis Liked this book because it gives a good overview and insight in modern day pakistan ; Mr Kham is very frank about the corruption in his country. Some chapters, e.g. about islam , are a bit too long winded , but overall reccomendable reading for anyone interested in Pakistan. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Inspiring Book Von Z. Khan Very inspiring words of a very inspiring personality. The way Imran Khan describes pakistans history combining it with his own personal history is just amazing !!!

Kurzbeschreibung Born only five years after Pakistan was created in 1947, Imran Khan has lived his country's history. Undermined by a ruling elite, and unable to protect its people from the carnage of regular bombings from terrorists and its own ally, America, Pakistan has for years suffered from instability. Now Imran Khan and his own political party, the Tehreek-e-Insaf, offer a real political alternative for the people of Pakistan at a time when tension between Pakistan's government and the powerful military has reached dangerous new levels. How did this flashpoint of volatility and injustice come about? Pakistan: A Personal History provides a unique insider's view of a country unfamiliar to a western audience. Woven into this history we see how Imran Khan's personal life - his happy childhood in Lahore, his Oxford education, his extraordinary cricketing career, his marriage to Jemima Goldsmith, his mother's influence and that of his Islamic faith - inform both the historical narrative and his current philanthropic and political activities. It is at once absorbing and insightful, casting fresh light upon a country whose culture he believes is largely misunderstood by the West. Pressestimmen "A must-read for anyone interested in the intrigue of politics in the most dangerous country on earth" (Sunday Times) Werbetext The fascinating story of Pakistan, seen through the eyes of its most famous son, Imran Khan.
