Von Michael Doran : Pan-Arabism before Nasser: Egyptian Power Politics and the Palestine Question (Studies in Middle Eastern History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pan-Arabism before Nasser: Egyptian Power Politics and the Palestine Question (Studies in Middle Eastern

History):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. fine piece of workVon Ein KundeMike Doran is one of the most promising young boxers around and pound for pound should give any of his future competitors in the squared circle a serious run for their money. I give him 5 boxing gloves...Oops. I'm sorry. You meant Mike Doran the writer on middle eastern politics. Um, never heard of him, but I'm sure this is probably a fine book.0 von 0 Kunden fanden die folgende Rezension hilfreich. A very interesting book, but a bit pricey!!Von Ein KundeA very well researched and written book. This is the work of a very promising young scholar.

KurzbeschreibungThis book aims to alter profoundly the accepted version of the history of post-World War II Egyptian foreign policy. To this end, Doran convincingly demonstrates the absence of any true pan-Arab front from the very beginning of the Arab League. Reconsidering Cairo's policy decisions during the critical years from 1944 to 1948, he proves that Egyptian national interests were always placed before the united Arab front against Israel. Even while participating in the 1948 war with Israel, Egypt regarded Zionism and the Palestine Question as less important than achieving independence from Britain and thwarting the expansionist aims of Iraq and Jordan. Ultimately, this study is a bold rethinking of twentieth-century Middle Eastern politics and history, with key implications for both the study of the ongoing Arab-Israeli conflict and the volatile politics of the Middle East in general.Pressestimmen"Doran's book remains a bold, original, and tightly argued interpretation of Egyptian foreign policy."--The New York of Books"He argues his case well, in considerable detail, and with specific and appropriate references and quotations from British and Arab documents, memoirs, and monographs."--Choice"Doran's lucid analysis and bristling detail make this an important contribution to the literature."--Foreign Affairs "Doran's book remains a bold, original, and tightly argued interpretation of Egyptian foreign policy."--The New York of Books "He argues his case well, in considerable detail, and with specific and appropriate references and quotations from British and Arab documents, memoirs, and monographs."--Choice "Doran's lucid analysis and bristling detail make this an important contribution to the literature."--Foreign Affairs "Doran's book remains a bold, original, and tightly argued interpretation of Egyptian foreign policy."--The New York of Books "He argues his case well, in considerable detail, and with specific and appropriate references and quotations from British and Arab documents, memoirs, and monographs."--Choice "Doran's lucid analysis and bristling detail make this an important contribution to the literature."--Foreign Affairs "Doran's book remains a bold, original, and tightly argued interpretation of Egyptian foreign policy."--The New York of Books "He argues his case well, in considerable detail, and with specific and appropriate references and quotations from British and Arab documents, memoirs, and monographs."--Choice "Doran's lucid analysis and bristling detail make this an important contribution to the literature."--Foreign Affairs
