Von Bob Carruthers : Panzers 1936-1945 (Hitler's War Machine) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Panzers 1936-1945 (Hitler's War Machine) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr viele InformationenVon CustomerIch habe das Buch eigentlich nur wegen der vielen schwarz-wei Fotos als Vorlage fr den Modellbau gekauft. Das in Englisch (!!!) verfasste Buch enthlt darber hinaus eine Unmenge an Informationen, von

geschichtlichen Zusammenhngen bis hin zum Abdruck von Auszgen aus deutschen Handbchern (Panterfibel). Wer sich fr das Thema interessiert und auch Fachenglisch versteht (cast armour mantlet, transverse-cylindrical shape, gearbox, sponsons, muzzle velocity, usw.) findet hier wirklich viel zu lesen.0 von 1 Kunden fanden die folgende Rezension hilfreich. bitte beantworten !!!!!!!!!!!!!!!!!!!!!!!Von Pinikwer kennt militaer buecher fuer kindleoder ballerspiele fuer ipod!!!ich hasse es dass man IMMER 20 oder mehr woerter haben muss:-((meine bewertung: weiss nich muss das buch noch fertig lesen hehebye byeueer siggi seegurke(tobi toastbrot)

KurzbeschreibungEdited and compiled by Emmy Award winning historian Bob Carruthers this is the compendium edition featuring five complete reprints from the series entitled Hitlers War Machine. Comprising a varied range of materials drawn from original writings covering the strategic, operational and tactical aspects of the Panzers in action, this single volume edition is designed to provide the well-read and knowledgeable reader with an interesting compilation of primary sources combined with the best of what is in the public domain to build a comprehensive picture of the tanks and the men who fought in them.Featured here are wartime intelligence reports which contain an intriguing series of contemporary articles on weapons and tactics. Many of the articles are written in, what was then, the present tense and they produce a unique a sense of what was happening at the face of battle as events unfolded.KurzbeschreibungEdited and compiled by Emmy Award winning historian Bob Carruthers this is the compendium edition featuring five complete reprints from the series entitled Hitlers War Machine.
