The series draws on primary sources and contemporary documents to provide a new insight into the true nature of Hitlers Wehrmacht. The series consultant is David McWhinnie creator of the award winning PBS series Battlefield. Pressestimmen The author goes into far more depth regarding panzer division organisation, tactics, logistics and, of course, the tanks themselves. It's also a bit of a bargain." CLASSIC MILITARY VEHICLE A fascinating account of the early days of the Blitzkrieg era. A useful book to have if you're seeking to learn more about the early days of the Panzers in WW2.
